

APARNA RADHAKRISHNA

Job: Senior Java Developer

Company: Autotrader

I work on a part of Autotrader that deals with New cars.

hard working

Passionate

Quiet

The skills I use most in my job... Javascript

- React

The most interesting thing I've worked on in my career so far... Very early in my career at

Autotrader, I led and successfully developed a part of the website on my own

What inspired me into digital and tech...I have always been intrigued by technology

My educational background is...M.Sc in Advanced Computer Science from University of Manchester

What advice I'd give to girls thinking about a career in digital and tech...It is an exciting career. Its challenging but equally exciting to come up with solutions to solve problems. It feels good to you see the work you do live and makes you proud
