

FIONA BALL

Job: Partner Account Manager

Company: Pulsant

I work with MSP to light up the value of Pulsant, so they can position with their clients our digital infrastructure offerings. Bring the ECO system of partners together to help all parties thrive

Kind

Happy

Positive

The skills I use most in my job...Communication, People, Account Management,

The most interesting thing I've worked on in my career so far...Changing the IFA market place from paper to electronic trading

What inspired me into digital and tech...Got to the age where I want to give back and help younger people see their potential, and get their quicker.

My educational background is...GCSE level

What advice I'd give to girls thinking about a career in digital and tech...The world is your oyster, decide where your real potential is and match it up to the right job that helps your thrive
