VANESSA VASANI

Job: Senior Consultant - Enterprise Architect

Company: Retail Reply - based at Sainsbury's

Help business to design and delivery digital solutions to transform their business process, customer engagement and suppy chain

Bubbly	Adventurous	Smart

The skills I use most in my job... Data analysis

- Process engineering
- Solution design

The most interesting thing I've worked on in my career so far... As Chief Architect at the Port Authority of South Africa (Transnet) a container tracking solution based on Internet of Things

What inspired me into digital and tech... It's a portable skill where you can travel, work from home and keep learning

My educational background is... Studied Biochemistry and entered a government sponsored graduate programme on Computer Science and Engineering

What advice I'd give to girls thinking about a career in digital and tech...D&T is a path to independence, freedom and constant growth
